

Hello Second Grade Families!

I hope you all are doing well. Here are some resources and ideas for you to use during the school closure. If your child cannot remember his/her login information for any of the sites we use at school please email me and I'll be happy to send them to you.

- Prodigy www.prodigygame.com
- IXL www.ixl.com
- Epic www.getepic.com *class code cbt0616
- ABC Mouse www.abcmouse.com
- www.abcya.com
- www.storylineonline.net
- www.funbrain.com/books

There are many other resources listed on the Floyd County Public Schools website under the COVID-19 tab.

PLEASE have your child continue to read and write while at home. Some other activities you can practice at home are -

- Adding/subtracting with and without regrouping
- Counting coins
- Write a letter to me or someone else
- Practice the cursive letters we've already learned
- Make lists -
Ex. things that are green (or other colors), things that go up/down, numbers that add to 18 (or any other number)

Please stay safe and remember to wash your hands. ☺ I will be in touch with you within the next few days. If you have any questions feel free to email me at burnettet@floyd.k12.va.us

Take care and hopefully I'll see your child soon!!
Terri Burnette
