

Dear Kindergarten families-

We want you to know that we are thinking about you and hoping that you are all well. We are preparing some fun, playful, hands-on learning experiences that will help review and practice skills that will not rely on the internet. Please know that we do not expect you to be teachers in this situation so everything should be a review.

Attached is a copy of a choice board that offers some ideas each day to give a little refresher. Also, please refer to the county website under the 'COVID-19' tab for resources to use, as well as the Willis Elementary classroom links for games.

Explore other ways at home to be creative and review skills such as looking for sight words on cereal boxes, create scavenger hunts, play board games. Read every day to your child and have your child read daily to you. Continue to use your March BINGO board for fun ways to read.

Please feel free to contact us with questions you may have. We are here to help. You can contact us through our class app or email.

Mrs. Baldwin: Class tag, baldwina@floyd.k12.va.us

Mrs. Bussey: Seesaw, busseya@floyd.k12.va.us

We will be in contact with you this week and next just to check in and see how you are.
